

In The Morning

Mickey loane and Patty loane

*In the morning
what we gonna do is praise the Lord
In the afternoon
what we gonna do is praise the Lord
In the evening
what we gonna do is praise the Lord
Don't walk away from the truth
I love you Jesus, now praise the Lord*

*In the name of the Father
the name of the Son
the name of the Holy Spirit
God put it in one
Fold your fingers, go down on your knees
Jesus, bind the devil and set us free
Jesus, Jesus, he's coming soon*

*God moves to the left
and He moves to the right
Clap your hands and rejoice tonight
God moves to the left
and He moves to the right
Clap your hands and rejoice tonight
2, 4, 6, 8,
Who do we appreciate?
Jesus, Jesus
Jesus Christ*
