

## The Promise

(Chorus)

If my people will humble themselves and pray

Seek my face and turn from their wicked ways

Then will I hear their voice from heaven

And I will forgive them their sins

Oh, Yes and I will heal their land.

There's a promise He's given to us

And it's lasted throughout all the ages

For it comes from within when it's time to begin

By the call of His voice up in heaven

Down on bended knee

I open the door to my heart

If you listen to what the Lord has said

Forever He'll live in your heart.

(Chorus)

Walking and talking the life of Jesus

Feel the load of the world at your feet

For the stand that we take

To remain in his grace

Is the choice that we've always been given

Down on bended knee

I open the door to my heart

If you listen to what the Lord has said

Forever He'll live in your heart.

(Chorus)
