

Let Your Spirit Flow

© Wayne Santos

Let your Spirit flow

Breathe your breath of life, today

Let your glory fall,

Cleanse us with your blood we pray

Lord, we bow our knee, we lift our hands

'Cause we need a touch of the Master's hand

Lord we simply say we love you more today

'Cause Jesus you're worthy to be praised

Jesus your name above all names

Jesus you're Holy

And Jesus you're love
